

The Living Room in Evanston

turningpoint
solid support
when and where
you need it most

Coming to Evanston in October, 2024

Immediate support, when you need it, free of charge.

An extension of Turning Point's successful Living Room program in Skokie, the Living Room in Evanston offers an expertly staffed, calm and comfortable environment for adults experiencing crisis. The Living Room is located just south of Ascension St. Francis Hospital.

Free of charge and available on a walk-in basis, the Living Room provides an alternative to hospital emergency rooms while delivering the expert and compassionate care that has distinguished Turning Point Behavioral Health for over 50 years.

In the Living Room, recovery support specialists with personal experience in managing the challenges of mental illness collaborate with mental health professionals to provide crisis intervention, support, and mentoring.

To offer a wide range of supports, Turning Point has partnered with trusted colleague organizations, PEER Services and Impact Behavioral Health Partners, to also offer employment assistance and support for substance use concerns. Beyond these key partners, a wide range of supports are available through Turning Point's expansive network.

When you visit the Living Room, you step into a warm and welcoming environment, staffed by a team that is well trained to help and support you.

Turning Point Behavioral Health

Skokie location: 8324 Skokie Boulevard, Skokie, IL 60077, (847)933-0051

Now in Evanston at 311 Elmwood Avenue! www.tpoint.org

"I was completely without hope. Without Turning Point, I'd be homeless now."

"They gave me solid support at the most fragile time in my life."

"Turning Point has helped me feel that I can survive and manage to support myself."
